Faculty	Faculty of Economics and Administration
Procedure field	Public Economics
Applicant	Dr. rer. agr. Christian Kimmich
Lecture date	29 April 2026
Lecture topic	Shared rational expectations and the economics of resource governance
Persons present (number)	8 on site, 4 online
Designated evaluators (board members)	prof. Ing. Juraj Nemec, CSc. doc. Ing. Mgr. Jana Soukopová, Ph.D. Univ.-Prof. Dr. Illona M. Otto doc. Ing. Lenka Slavíková, Ph.D. Prof. Dr. Björn Vollan

Dr. rer. agr. Christian Kimmich delivered a lecture to the professional public on the topic "Shared rational expectations and the economics of resource governance" on 29 April 2026. The evaluators of the lecture state that the topic is interesting and is in line with the scientific field of the habilitation and the scientific profile of the candidate.

From the point of view of the content of the lecture, it can be stated that the lecture (using already published articles of the applicant as the background) was of a high standard and enriched the attendees with new knowledge and perspectives.

From the point of the didactic approach the evaluators positively evaluate the applicant's manner of explanation and his highly cultivated speech.

The evaluators also state that the applicant answered the questions of the members of the evaluation committee and the attendees in an excellent manner, thereby demonstrating his exceptional knowledge of the presented issues.

Conclusion

The lecture delivered by Dr. rer. agr. Christian Kimmich, entitled "Shared rational expectations and the economics of resource governance" and delivered as part of the habilitation procedure, **demonstrated** sufficient scholarly qualifications and pedagogical capabilities expected of applicants participating in a habilitation procedure in the field of Public Economics.
