## Application Deadlines

- **Applications are open in January, April, June and October Students apply via ISOIS**
- **Closest deadline: 31. October, 31. January**

# Application considerations

- Make sure you meet the minimum requirements (language level, courses, study level)
- Think about your goals – are there enough courses to interest you (for at least 20 ECTS), will you want to live in this location for 5 months, do you want to connect your thesis to your time abroad, etc.

# Key take a ways

- If you want to go abroad during the 2024-2025 year, especially outside the EU, start looking into the process now. (Dec. 15 deadlines)
- Visas – be aware of your Czech visa status, make sure you can return to finish your degree
- Students should not go to their home (or permanent residence country) if you do so, you will receive no funding and your application will be given lowest priority.
